MAINTENANCE AND UPGRADES

2026:
Complete Volvo Penta D1-30 engine overhaul by specialized workshop
Heat exchanger replaced
Exhaust riser replaced
Cylinder head resurfaced
Hot water boiler replaced

2024:
Saildrive cast-iron housing replaced

2022:
All rod standing rigging elements replaced and rigging completely renewed
Saildrive rubber seal replaced
Steering system bushings and cables replaced
Stern waterproofing works carried out

2021:
Vang gas strut replaced

2019:
Carbon mast refinished with transparent UV-protective resin, still reported to be in excellent condition without visible irregularities

2018:
Previous sail set replaced with carbon sandwich laminate mainsail and Olympic jib
Original 2-blade propeller replaced with Volvo Penta 3-blade folding propeller

NOTE: The mainsail has reached the end of its service life and requires replacement. The jib is estimated to have approximately 1–2 years of remaining service life. The asking price already takes into consideration the potential cost of sail replacement.

Broker's commission excluded
